# OUR CAMPING PITCHES

At Chasteuil Verdon Provence, we have several "zones", several atmospheres. Which one is the most like you?

**Standard area:** 100m<sup>2</sup>

**XXL area:** 130 m<sup>2</sup>

## ZONE VERDON

The Verdon Zone is located near the river. These pitches are mostly shaded and rather cool, to enjoy a magnificent setting.

## ZONE CERISIER

The Cherry Zone is located away from the other zones. This is the small campsite of the campsite, a small corner set back by the river, where only tents and small caravans have access.

## ZONE CENTRE

The Center Zone is the living area of the campsite. With a majority of shaded pitches, it is located near the services and activities of the campsite.

## ZONE HAUTEURS

The Heights Zone is located on the other side of the departmental road. Arranged in terraces, not overlooked, it is a quiet place. The pitches are with sun or with shade, as you prefer :)

# OUR PITCHES WITH PRIVATE SANITARY FACILITIES

Be in the spirit of camping, closer to nature, sleeping in your own tent/caravan while enjoying yourself by offering maximum comfort with individual sanitary facilities.

Since 2021, we have installed 4 pitches with private sanitary facilities. Located in the Center area, these pitches measure approximately 100 m<sup>2</sup> and are suitable for tents, caravans or motorhomes. The toilet block consists of a shower, sink, toilet and an outdoor sink.

The rental of a pitch with private sanitary facilities includes the rental of a 100L fridge and a garden furniture kit (table and chairs)

In addition, this toilet block is Made in France and PEFC certified!

## OUR CHALETs

To respect the natural setting of the Verdon Regional Park, our establishment is essentially a campsite. However, for those looking for more comfort, our 17 wooden chalets and our 6 ecolodges can accommodate from 2 to 6 people.

All our rentals are non-smoking.

### CHALETs LOISIRS

Located on the western edge of the campsite, about 100m from the Verdon, our 20m<sup>2</sup> chalet LOISIRS and its 8.5m<sup>2</sup> covered terrace are suitable for families of 2 to 4 people.

### CHALETs DETENTE

Modern and fully equipped, our 28m<sup>2</sup> "DETENTE" chalet and its 12.5m<sup>2</sup> covered terrace can accommodate up to 5 people in 2 bedrooms. Located in the Heights area, it enjoys a panoramic view of the mountains.

### CHALET CONFORT

The "COMFORT" chalet is located in the Zone Haute. Spacious and airy, with its 35m<sup>2</sup> and its large covered terrace of 20m<sup>2</sup>, it can accommodate up to 6 people in 3 bedrooms.

### CHALET PLEIN AIR

Live a holiday in harmony with nature with our 34m<sup>2</sup> Plein Air chalet. Its panoramic bay window, its 2 terraces of 12 and 20.5m<sup>2</sup> and its modern kitchen facing the outside enhance the indoor-outdoor lifestyle.

## OUR ECOLODGES

To live with nature calling you, opt for our 17m<sup>2</sup> ecolodge LIBERTE and its 8m<sup>2</sup> terrace. Located by the river, perched on stilts, it is less than 50 meters from amenities.

All our ecolodges are located by the river. Some can accommodate up to 4 people and others up to 5 people.

### WHY WILL YOU LOVE IT?

Want to know if camping is for you? Do you prefer a tent to a mobile home? So: Glamp! To take advantage of the landscapes, the living space is open to the outside to be and live both "inside" and "outside". It's the comfort of a real bed combined with the pleasure of living outdoors.

# OUR CHALET EVASION

New in 2022 !

Ideally located on the main part of the campsite, the Evasion chalet combines comfort and modernity: with its 32m² and its 16m² terrace, holidays are lived to the rhythm of nature.

The + of the chalet: location, air conditioning, dishwasher and bed 160!

Located on the main part of the campsite, less than 100 meters from the river, the Evasion chalet is ideal for families: children can go play in the playground or in the swimming pool without crossing the road. But that's not all ! The Evasion chalet is equipped for your comfort: air conditioning, dishwasher, double bed, panoramic bay window...
